

HOW TO SEND YOUR SCRIPTURES TO LDSBookstore.com

Thank you for your interest in having your scriptures re-bound! Follow these instructions carefully to ensure a safe arrival and return of your scriptures.

- 1** **Get a box** close to the size of your scriptures. Make sure there is enough space to include some protective wrap.
- 2** **Carefully wrap your scriptures** in bubble wrap, butcher paper, or even a piece of cloth will work. You just want as little movement of the scriptures inside the box as possible.
- 3** **Use packing tape** to seal the box well. The more tape, the better. Seal the sides of the box if possible.
- 4** **Affix the shipping label** that was emailed to you shortly after placing your order to the box. Use clear packing tape to tape over the entire label. Be sure the barcode is clear from obstructions and not wrinkled or damaged.
- 5** **Take your packaged scriptures** to the FedEx Authorized Ship-Center® nearest you. You can find locations online by visiting <https://lds.co/fedex>
- 6** **That's it!** You'll receive an email once we have received your scriptures and we'll contact you if any additional information is needed.

If you have any questions about the binding process, please send us an email at service@ldsbookstore.com or text us at 385-240-4551.
